General Notes

- To ensure full coverage of the learning standards, all the exercises in the Student's Book should be covered in class.
- Make use of the Workbook for consolidation and formative assessment purposes.
- It is essential to exploit the material in the reference section at the back of the book (Grammar Reference, Speaking Activities, Writing Reference and Project Skills) for reinforcement and learning support.
- Make the best use of the Teacher's Book, which includes an introduction, step by step instruction and model answers for all SB and WB activities.
- For the effective implementation of competencies and values, refer to the introduction of the Teacher's Book.
- Culture pages, poems and task pages are not included in the exams.
